

Help Bring our Teens Closer to Christ by Buying Stock in Youth!

NEXT WEEKEND many of our Youth will be selling stock certificates at the back of the Church. Below is a copy of this certificate and more information on what Buying Stock in youth is all about.

What is Buying Stock? The idea is to have you, parishioners, "INVEST" in the spiritual future of the youth at our own parish. All money for stock will go directly to teens and adult leaders who need the help of the parish to attend these summer youth ministry opportunities here at our parish.

Sadly, we are hearing from families that they would love their teen to go, but just cannot afford the full amount of the event. **Please, anything helps.** The youth will in turn make a thank you video which will be made available in September of this year for all who "Invested" prayerfully or financially in them. On the video you will see and hear testimonies from the teens of how our Lord has touched their lives this summer.

This year, trips include Extreme Faith Camp, Franciscan University of Steubenville's Catholic High School Youth Conference in Rochester, Summer Stretch, annual training retreat for our high school Core Team, and the March for Life in Washington, DC! These are all powerful events filled with the sacraments, fun, prayer and fellowship! To see more information about our ministries, see our website: www.stmacatholicyouth.org.

Please invest in the faith lives of our youth and in the future of the Church!
